

A Note

from your Pastor . . .

Redeemer Church Family,

Almost six years ago Redeemer Church moved into Highview Learning Center in Fate, Texas. Our mission was (and still is) to share the gospel, shape disciples, and send missionaries into our neighborhoods and across the globe. During our time at Highview we have experienced the ups and downs of planting a church. But we've seen the faithfulness of God through it all.

God has used our time at Highview to refine us personally, sharpen our vision, and bless our city. We've seen 27 people go from spiritual death to spiritual life as God saved and we baptized them. God has healed those wrestling with deep wounds inflicted by their families or other churches through the ministry of Redeemer.

We've partnered with other local churches in our area to host marriage ministry courses, conduct Vacation Bible Schools, host parenting seminars, and preach a series of messages on unity in the global church. Our church body has also partnered with the city of Fate to sponsor and serve at events to connect with the residents of the place where God has planted us. We've launched ministry to women, men, preteens, and students in our community. And Redeemer has partnered with other gospel advancing & kingdom minded ministries doing work across the globe. We give thanks to God for all He has done in and through us during our time at Highview!

Now, as a church body, we must turn our attention to what God has ahead of us. In the fall our elders presented four goals we have for the next 5 years as a church. We want to continue our mission of sharing, shaping, and sending by:

1. Reaching our Neighbors
2. Raising Disciples
3. Launching Leaders
4. Finding & Funding a Permanent Home

These four goals lead us to the Next 5 Initiative, an opportunity for us to take the next step as a church to engage our local community and global cities with the gospel. The Next 5 is a funding initiative that will generate the financial resources we need to take big steps toward our goals to see the gospel preached in Fate and beyond to the glory of God.

In the pages ahead you'll discover how the Next 5 Initiative will help us fulfill our mission and vision as a church. You'll also find our fundraising goals & phases, where the money will be used, some conceptual design images, and how you can partner with us through faithful prayer and generosity. We are excited about The Next 5 and hope you will join us in all we are trusting God to do in and through us to His glory.

Redeemer's Growth

In 2019 we **doubled in size** and were on pace to do the same in 2020. Then Covid-19 swept through our nation and life as we knew it changed for 12 months. As we continue to open more fully in 2021 and beyond, we believe God will continue the work He has already started.

Since our launch in July of 2015, we have baptized **27** people who came to faith in Jesus Christ. Our giving has grown from **\$184,304 in 2016** to **\$237,520 in 2020**.

New Life Groups have launched. New ministries, like AXIS Preteen Ministry and Re:New Sunday Morning Bible Study, have gained traction. We have hosted Re:Engage Marriage Ministry, Financial Peace University, and Grief Share. We have established meaningful mission partnerships with Latitude GLC, India Tribals in Ministry, and Athletes in Action in Moldova.

Our Mission

WHY WE EXIST

We exist to share the gospel, shape disciples, and send missionaries into our neighborhoods and across the globe.

“And Jesus came and said to them, “All authority in heaven and on earth has been given to me. Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age.” Matthew 28:18-20

Our Vision

WHAT WE SEE

At Redeemer we want to help create “Kingdom Culture” in Rockwall County and beyond by planting independent local churches. Creating Kingdom Culture starts with people being reconciled to God through faith in Jesus Christ. In real life, this Culture looks like prodigals coming home, marriages being restored, the needy around us receiving care, people of all ages learning to order their lives around Jesus, community members of every color and class feeling welcomed, and new churches being launched in our county and beyond.

Our vision to be a church planting church defines our land and facility needs. We aren't looking for 30 acres to build a supercenter. Instead, we'd like to find 4-7 acres to build a modern but modest and functional facility where we can gather for worship every weekend. It will also serve as an outpost for ministry in our community throughout the week. As we move into The Next 5, we aim to launch an Intern and Residency Program to invest in future pastors, church planters, and ministry leaders. We hope to welcome our first summer intern(s) in the summer of 2022 and first resident in early 2023.

How will The Next 5 Initiative help us fulfill Our Mission?

SHARE

A PLACE FOR GOSPEL DECLARATION & GOSPEL DEMONSTRATION

This first phase of The Next 5 will help us secure funding to purchase property in our community. Locking in a location as real estate prices around us continue to rise is vitally important. The church home we would eventually build on that land would give us a permanent footprint in the community. It would serve as a place to declare the gospel each weekend and demonstrate the gospel through community outreach year-round.

SHAPE

STAFFING

The Next 5 will provide funding to help us better compensate current staff or add additional staffing at Redeemer to help make the workload more manageable. We could bring on staff to assist with Worship Ministry, Kids Ministry, Administration, and/or Adult Ministry as we grow.

SEND

MISSION PARTNERS & CHURCH PLANTING

Part of the funding from The Next 5 will be given to our existing Mission Partners to level up in our support of and involvement with them. We will also set aside funding to assist with church planting.

Phase 1: Land Acquisition

Our NEXT 5 Team is on the search for 4-7 acres of land in the Fate/Royse City area.

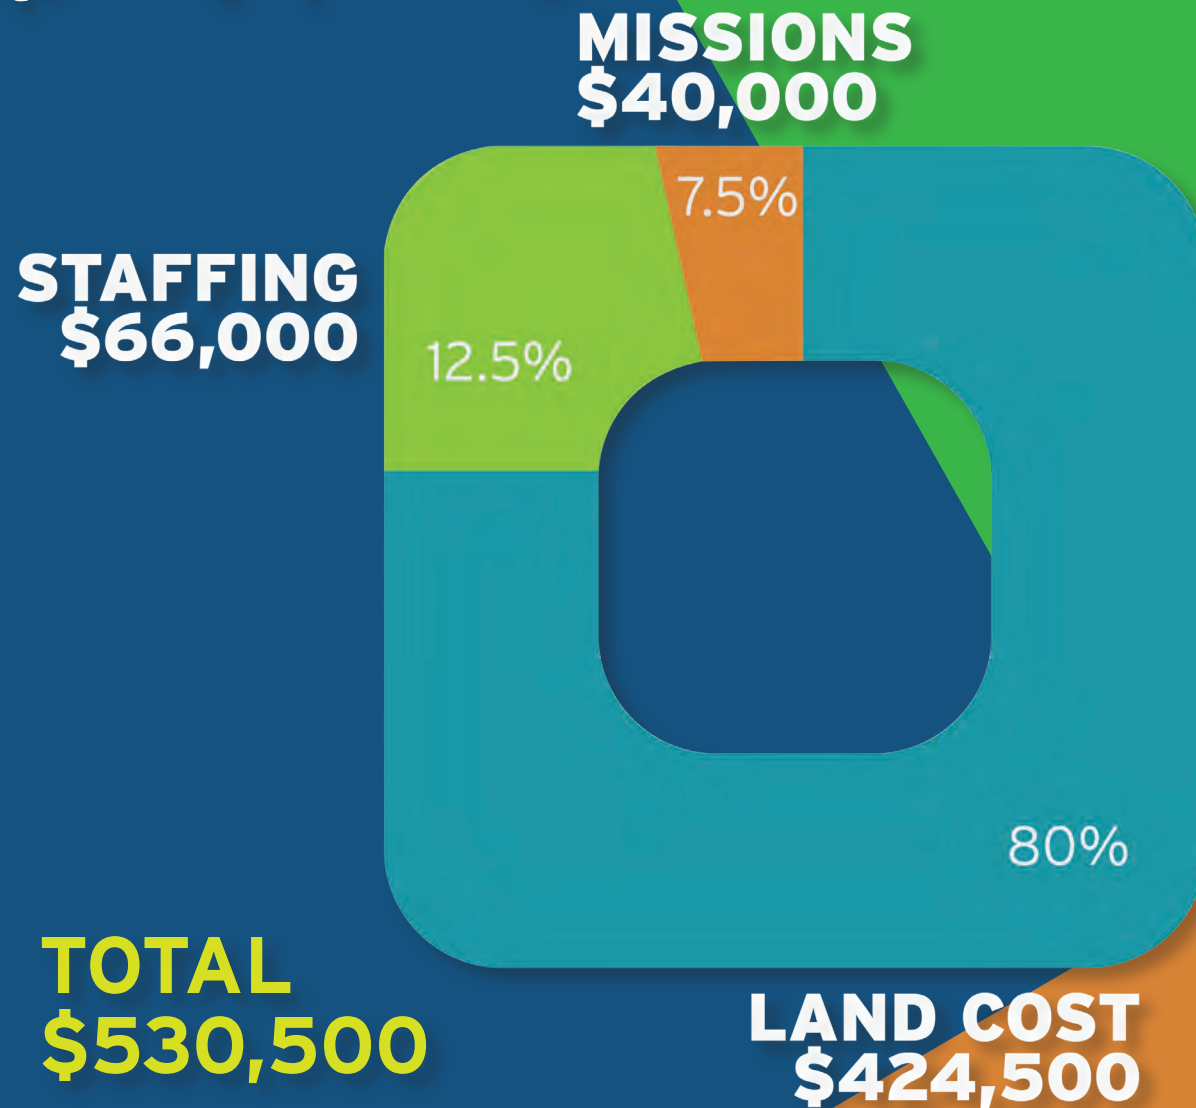

Our 3 year goal of \$530,500 will help us buy land to build our church home on. We will need to put a down payment of at least \$250,000 on property when the right spot becomes available.

Take a look at the "Use of Funds" graph to the right. You'll see that phase one of the Next 5 Initiative includes a 3 year goal of raising \$530,500. Most of these funds (80%) will go toward buying a piece of land where we'll build our new church home.

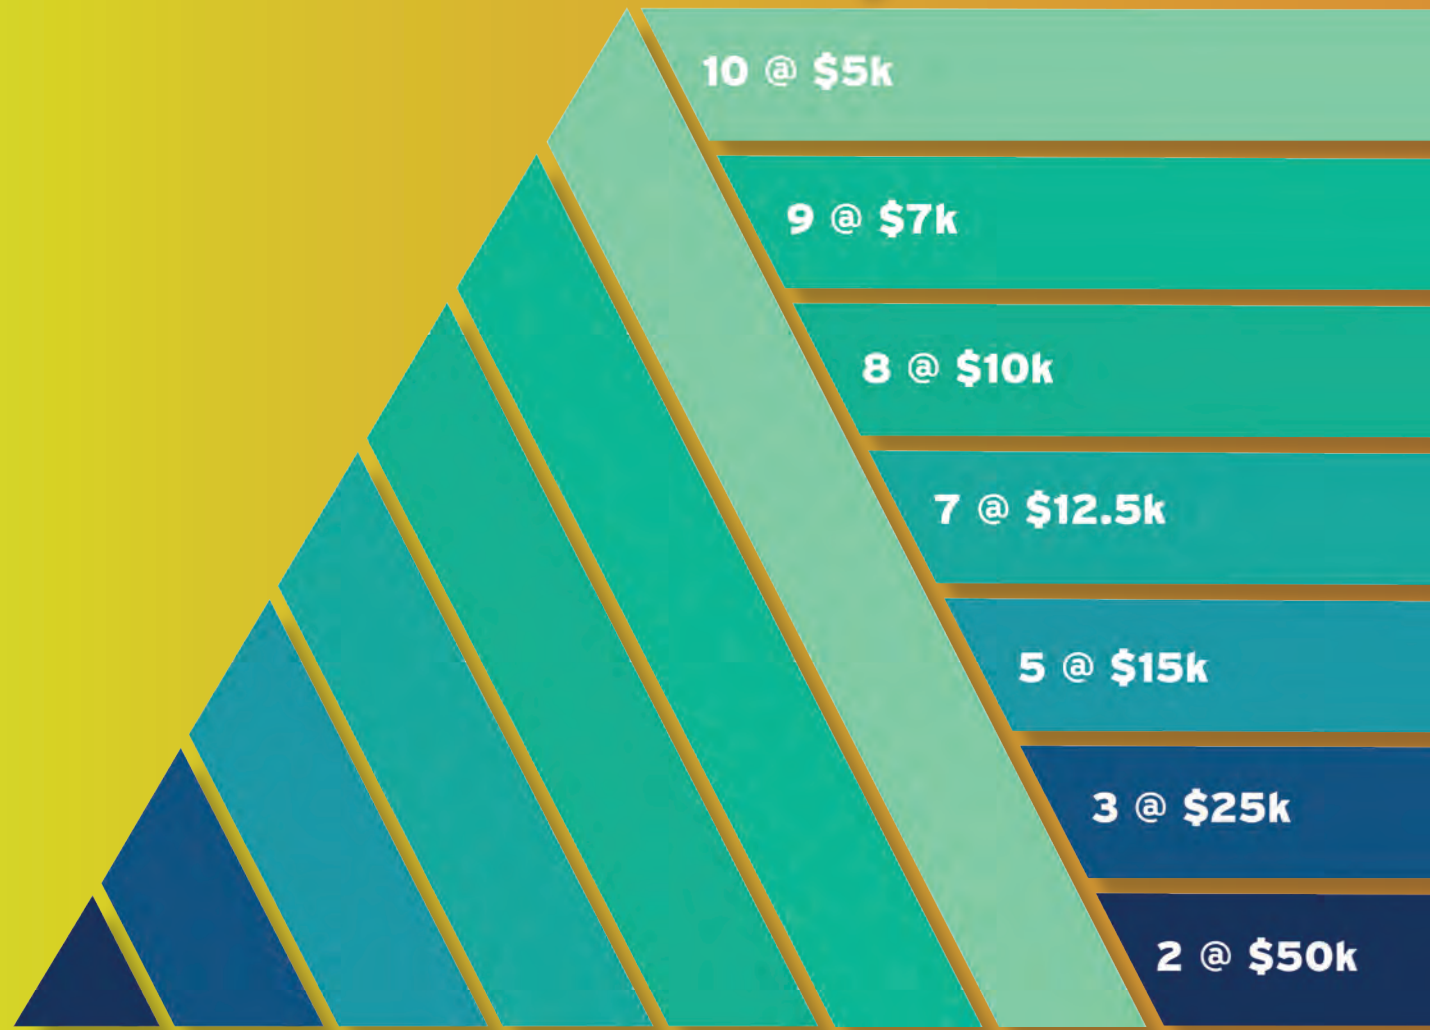

While the purchased land is just one piece to the puzzle, it will be a significant step toward serving our community out of a permanent church home seven days a week. We are continuing to look for the right property, for the right price, that's available at the right time - and we believe God will provide.

PLEASE PRAY THAT GOD WILL SHOW US EXACTLY WHERE WE SHOULD BUY, BUILD AND SERVE.

YOUR GIVING POTENTIAL

You are an important part of reaching this goal to build our new, permanent church home. Maybe you've never given to Redeemer Church. Or maybe you give every week or month. Either way, we need your help to see this God-given vision become a reality, to build this outpost for daily ministry in the Fate and Royse City area! Would you consider one of the giving levels shown on this page?

Let's break down the 3-Year Goal of giving \$5K. Each month you would give \$138, which is about the price of a latte each day. *Would that be a possibility?*

Maybe you get an end of year bonus or have land or stocks you'd be willing to donate to this initiative. That would be such a blessing!

Or maybe God's given you a different amount, higher or lower, that you could give out of the surplus of your paycheck or sacrificial scrimping for this season.

Phase 2: A Permanent Home

As we consider what our new church home might look like, these are conceptual designs and a few photos of areas in existing churches that we like.

You'll notice they have a modern look and feel and create space for us to do the ministry God has called us to in our community.

- MODERN INDUSTRIAL DESIGN
- 10-12,000 SQ. FT. BUILDING
- OPEN FOYER FOR GATHERING
- ROOMY KID'S CHECK-IN AREA
- 250-300 SEAT WORSHIP CENTER
- AMPLE STORAGE SPACE
- SPACE FOR MID-WEEK MINISTRIES

Milestones

TO OUR NEW CHURCH HOME

Our overall goal of the Next 5 Initiative is to raise \$3.5 million to fund and build a permanent church home for Redeemer Church. Throughout this Initiative we'll reach various milestones to celebrate, including raising funds for a down payment on land, reaching our goal for paying off the land, and meeting construction and furnishings costs. All of these milestones will take place in multiple phases of our Initiative.

1

LAND

To reach this first milestone we need to raise \$530,500 to buy land where we'll build our new church home. This includes a downpayment of \$250K to secure this land when we find the right spot.

2

CONSTRUCTION

After we've raised the funds to purchase the land, we'll set our sights on reaching our next (and biggest) milestone of \$2.5 million for the construction of our building.

3

FURNISHINGS

Our last milestone of \$500K will allow us to furnish our newly constructed church home with chairs, tables, a sound system, children's ministry equipment, signage, and other necessary items to make this building feel like a home.
